

AITC: Eligible Business Corporation (EBC) Registration

Note: These forms are samples only and intend to show the type of information applicants will be required to provide as part of their application. Please note that the application forms are subject to change. Final forms will be accessible through the online application portal starting January 16, 2017.

Program Application Instructions

Eligible Business Corporation (EBC)

This application is completed by a small business seeking registration as an Eligible Business Corporation (EBC). Upon approval, the Minister confirms that the EBC meets the requirements under the *Investing in a Diversified Alberta Economy Act* at the time of application and is authorized to apply to raise equity capital from eligible investors/corporations.

NOTE: Only complete application packages will be considered.
